

FIRING AGREEMENT

The top section of this form must be filled out and left with any work that is dropped off to be fired. A separate form must be filled out for each type of firing you are requesting (bisque, Low-fire, ^5/6 glaze) Although we at the TCC are as careful as possible with all work, accidents do happen and the TCC is not responsible for any damage to any work for any reason. We reserve the right to refuse to fire any work for any reason. Requesting that TCC fires your work is an agreement to these firing policies.

Customer Name _____

Phone Number _____

Email _____

Firing cost is by the pound, collectively. Pieces will be weighed by TCC staff at the time of drop off, or such time that is convenient to the TCC staff. Minimum 1lb fee.

\$1.75/lb for Bisque or Low-fire Glaze

\$2.00/lb for Glaze firing to Cone 6

Oversized work surcharge (pieces exceeding 10" in any one direction):

\$.01/cu inch

\$.01/cu inch

Full Kiln loads are available – ask for pricing

\$2.00/lb to use TCC Glazes

\$15/hr for Glaze Room rental

After weighing (and measuring) your pieces we will call you to collect payment via a credit card. Fees must be paid before pieces are fired. We will notify you when your pieces are ready for curbside pickup. Work not picked up within 30 days of notification will be considered a donation to the TCC or will be discarded. No refunds will be given for abandoned or discarded work. No exceptions.
