Workshops are periodically hosted at the TCC and taught by ceramics pros, from near and far. The TCC will also do its best to accommodate requests for private lessons, individual or group. Contact the TCC manager for more info.

***PLEASE NOTE:** *All memberships and passes are subject to local, county, and NM state GRT tax. All members and others using the TCC studio must attend a short orientation prior to using the studio facilities. Firing fees are based on weight of bisqued pieces before glazing.*
